I'm a passionate Full Stack Developer with over 2 years of experience building web and mobile applications. I thrive on solving problems, creating user-friendly designs, and delivering high-quality projects. My expertise lies in ReactJS, Tailwind, Next.js, and the MERN stack, and I'm always eager to learn and adapt to new technologies. I'm currently seeking challenging development roles where I can contribute to impactful projects and grow my skills within a dynamic team environment.
